Choose one of our Factory-Backed coverage options.

EXTENDED CARE:

This plan extends your vehicle coverage on over 400 major components. A good solution when it comes to protecting your vehicle.

EXTENDED CARE PLUS:

This plan extends your vehicle coverage on over 850 components. A better solution when it comes to protecting your vehicle.

EXTENDED CARE PREMIUM:

This plan extends coverage on over 5000 components. It is by far the best coverage.

The above are the most common parts that are covered under each plan. Please refer to actual plan for parts and services that are not covered and other exclusions that may apply.
